Part III Explanation of Changes. In the space provided below, tell us why you are filing Form 1040-X.

► Attach any supporting documents and new or changed forms and schedules.

Honestly, I don't even know what I just read - what a bunch of junk. So let me explain to you because I'm a human being, my story: I go disability leave. I don't qualify for FMLA. Amazon doesn't give me any support on this. So I go and file for Paid Leave from Washington. Amazon is very honest doesn't include this in my W2. So Amazon underpaid me this year with 109,000. And I actually earn less from Amazon. The State of Washington gives me fucking too much money. 1206 even though the max is 1000 a month.

Okay, So Then the Fed government is like - hey - let's tax this government money that we just gave to this US Citizen ONE MORE TIME, EVEN THOUGH IT CAME FROM THE GOV.

Here, because I'm fair - you guys get 1000 X 12 = 12000. 12000 times 0.22 = 2640.

Hey and the rest? 206 times 12 = 2472. That's mine. That's due to how stupid the government is. Okay? That's my money.

Amazon or THE US GOV, doesn't matter. At the end of the day, the both of you, are still two stupid fucking beaucratic systems Go fight each for this cash okay? Like go and light saber duel for this \$2640. It's my money. Back off.

Remember to keep a copy of this form for your records.

Under penalties of perjury, I declare that I have filed an original return, and that I have examined this amended return, including accompanying schedules and statements, and to the best of my knowledge and belief, this amended return is true, correct, and complete. Declaration of preparer (other than taxpayer) is based on all information about which the preparer has any knowledge.
